## WMMC's 30<sup>th</sup> Annual Mustang & All Ford Show

Well our 30<sup>th</sup> show is now complete and once again Mother Nature tried her darndest to put a damper on our show. It got off to a hazy start and I know there were cars that got wet coming to the show but we prevailed. We had 192 cars show up this year, up almost 20 from the previous year. Being my first as the Show Chairman was a nerve racking time for me but with the help of you fantastic volunteers who again gave of your valuable time to help us put on a great show! Without you we would not be able to put on this show. THANK YOU!!! A special personal thanks goes out to Steve Morgan and Rick Bishop for all of your help this year. I would like to thank all of the club members who gathered all of the class awards sponsorships, raffle items and door prizes. Club member Chris Stawasz come through again with 11 class sponsors, several door prizes and some very nice raffle items. Super Job Chris, THANK YOU! **Dave Dunn**

### Hoofbeat Newsletter

Reminder to everyone that the Hoofbeat Newsletter will be published and mailed to you only **twice a year**, in July following the car show and again in January after we have the elections of club officers. For those of you that do not have access to email or the internet we will mail you each of the remainder of months a post card with the latest available information on upcoming club activities. In order to receive the post cards please indicate your choice when you renew your membership each year. The cost of mailing the newsletter has risen significantly over the years and in order for us to keep the cost down we have moved forward with an enhanced and easier to use website. You no longer need a password to enter the site. There is a calendar that is continuously updated with club activities and several forums to keep you up to date on what's happening in the club and around West Michigan. Anyone can post on the forums, you will need to register the first time you wish to post and after that you can enter events, ask questions, and post pictures of your car or just chat about anything of interest. We also now have a Facebook page for those that like to stay in touch in this manner. Please take time to check out our new and improved website for all your club info.

### From the Membership Chairman

The 2011 Membership Dues will be collected from January 1, to February 14 of each year. The goal of WMMC is to have everyone renew his or her membership the first of every year, instead of the month you originally joined. Questions or concerns please contact Bill Binning.

*Happy Motoring*
